

Scripture Reading plan for 5784/85 (2024/2025)

This plan takes the Torah and Haftarah cycle as the foundation for reading the entire Bible. Torah and Haftarah readings follow the one-year Hillel Jewish calendar, with weekly Torah readings divided into daily portions. Readings for the rest of the Tanakh (Hebrew Scriptures) and Brit Hadashah (New Testament) proceed through a daily plan from the One Year bible that covers all of those scriptures over the course of the year.
